To Whom It May Concern:

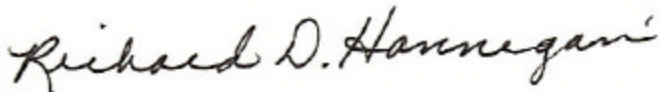

My name is Richard Hannigan, and I have been practicing law before the Illinois Workers' Compensation Commission since 1973. This is the only practice I have ever known.

In all my years before the Illinois Workers' Compensation Commission, I have come across many interpreters used by Petitioner's attorneys, defense attorneys and, of course, myself. Never have I come across an interpreter whose qualifications match or surpass that of Rafael Arellano.

If anyone within the legal community is desirous of an interpreter, he was always early and always upbeat. I highly recommend Rafael Arellano. His professionalism and ability to relate to the client is superb.

When next considering an interpreter, I would suggest you contact Rafael at (815) 353-7104.

Sincerely,

Richard D. Hannigan
